

Monday, 19th December 2016

Dear Parents and Caregivers,

Welcome to Wainui Intermediate for 2017. This is a brief letter to outline what to expect next year, and provide information on specific programmes that we will be running. More detailed information will be made available to parents and students at the beginning of 2017.

Accompanying this letter you will find our EOTC timetable, class timetable, specialist timetable, and the BYOD requirements. Please take the time to read this information so you are familiar with our programmed intentions.

Homework is an area that many intermediate parents and students raise concerns about with regards to preparation for college. In 2017, regular homework will be set on a Monday, and may include English, Maths, Spelling, Inquiry, and activities that may not have been completed in class. All homework will be due back on the following Monday, where it will be marked, and the children's completion of the homework tasks recorded.

Throughout the year, while the Year 7 and 8 children are assigned to specific home rooms, they will sometimes work together, taking advantage of the wonderful learning environment we have. This also means that all children benefit from the expertise of two teachers with strengths in different areas of the curriculum.

We look forward to working with you and your children next year, and welcome any questions you may have.

Yours sincerely,

Jason Irvine

Assistant Principal

Takahe Team Leader
