

AG DAY AND COUNTRY FAIR INFORMATION 2020

No doubt by now, you're well aware that, Wainui School's annual Ag Day and Country Fair will be held on, Friday 23 October 2020. Your friendly Friends of Wainui School (FOWS) team, along with the school have put together this bundle of information, so that all our new and old families have an idea of what the day entails.

The dress code for the day is "Country", so come along in your country clothes and you may win a spot prize!

TIMETABLE FOR THE DAY

This year, the Ag Day and Country Fair timetable is as follows:

- 2.00pm All stalls close
- 2.30pm Roll call all school children (in their classroom) and collect art
- 2.30pm-2.55pm Clean up and end of school day

Wainui School's Ag Day and Country Fair is officially a school day, though it is much more fun than your average school day! Children without an animal or parents/caregivers attending our Ag Day and Country Fair will be supervised by the teachers and engaged in planned activities. Throughout the day there will be periodic roll calls. These roll calls will be held at 9.00am, 11.00am and 2.30pm. If you're taking your child home earlier than the usual 2.55pm end of school time, you will need to tell your child's teacher and sign your child out. The sign out book will be located at the ticket booth. Buses will run as normal at the beginning and end of the day.

LAYOUT FOR THE DAY

The layout for the day is set out below. Please note that the layout may change based on the weather on the day.

FIELD – The grass field will be used for animal showing and parking for trailers. At the far end of the field by the senior playground will be the ticket booth, eftpos, first aid station and the raffles. The Young Farmers Final will also be held on the field in the afternoon. Also, on the field there will be a tractor supplied by the team at Kiwi Bale – where you can stop and have your photo taken in your country outfits.

UNDER THE HALL - The food (bacon and egg butties, nachos, sausage sizzle, juicies, ice cream cones, candy floss, and cake stall) and drinks (hot drinks, water and sparkling drinks) will be under the hall at the end closest to the carpark. The chickens will be in the bike shed.

IN THE HALL - The market stalls will be in the hall. This will include both outside vendors and our Wainui school kids who are exploring their entrepreneurial skills by being stallholders. We have **attached** the registration forms for both the adults and kids' stalls, should you wish to have a stall.

THE COURTS – This will be where the 9.00am and 11.00am roll calls take place.

TOP CONCRETE AREA– In this area there will be a games alley where the kids can try their hand at 10 different games. When they have finished the game, they will be given a number that they can take to the Harcourts Cooper & Co prize tent and they will be able to exchange it for a prize. This year as well as brand new prizes, we will also have a table of quality preloved toys, which the children can choose from instead of a new toy. This is our little way of reducing, reusing and recycling.

GRASS AREA BESIDES KITCHEN – There will be a coconut shy (thanks Fruit World, Silverdale) and a bouncy castle (thanks SKIDS) on the grass.

GRASS AREA IN FRONT OF RIMU - There will be an inflatable obstacle course (thanks Simone du Bernard from Harcourts Cooper & Co).

CLASSROOMS – The classrooms are full of all of your children's artwork and creations that they have made specially for Ag Day. The classrooms will be open from 7.30am-9.00am and then from 11.00am-2.30pm. There will also be a roll call at 2.30pm in the classroom for all school children and this will also be an opportunity for everyone to collect and take home their Ag Day art. The pet eggs will be on display in Manuka class.

GAMES TENT – There will also be a games tent that has free activities. Here you will be able to do drawings and color in, play cards, make loom bands, play giant jenga, giant pick up sticks and giant connect 4.

TICKETS

This event will use tickets. This means that each stall (**except for all of the market stalls**) will only take tickets. The ticket booth will be by the food and drink stalls and this will also have eftpos available (though there is no cash out facility available). One ticket equals \$1.

ANIMALS (Calves, Lambs, Kids and Chickens)

On Ag Day and Country Fair morning, priority parking will be given to all those with animals. Please park on Little Bush road, down by the field. When you arrive make your way, straight to the registration desk, which will be on the field by the hall. When you register you will be given a number. The registration desk is open from 7.45am-8.45am.

All children, even those with animals, will need to attend the first roll call at 9.00am on the turf, so please make sure you have someone to hold your animal or somewhere to tie them up to, if you have an animal.

Judging will start at 9.15am for all animals. We ask that all parents stay behind the white tape, as part of having an animal is that the child can control them, themselves. Do however feel free to bring your children food and drinks, just make sure the animals don't eat them!

Our judges are local farmers and vets (thanks Lisa from the Lifestyle Vet), who regularly judge animals and they are volunteering their time for our day, so if you have a chance please thank them for doing this.

Depending on the number of registrations received, there will be one goat and one calf ring (but judging will be for junior handlers Years 0-4 and senior handlers Years 5-8.) For the lambs there will be 3 rings broken into Years 0-2, Years 3-5 and Years 6-8.

At the conclusion of the judging, the judges will deliberate to find a Supreme Champion for each of the animals and the winners will be presented with an award by our Principal Sponsor, Simone du Bernard from Harcourts Cooper & Co. Then all the children will walk around the field with their animals and their ribbons for the Grand Parade. After this has concluded it will be the official lunchtime.

Please find **attached** the registration form for the animals. If you haven't already registered please do so immediately. The rules for animals for Ag Day can be found in the office and on our school website.

PET EGGS

This year we are continuing the “My Pet Egg” activity for those children who do not have a calf, lamb, kid or chicken to show. The expectation is that every child at Wainui School has the opportunity to “rear” something.

The children need to choose an egg from home and create their egg character/home/habitat and then bring it to school on Ag Day and Country Fair. On the Ag Day and Country Fair morning, the pet eggs are to be taken to Manuka where they will be judged and rosettes will be presented to the best ones.

Please find **attached** the pet egg registration form.

CLASSROOM ART DISPLAYS

This year the classrooms will be open for viewing in two blocks:

- 7.30am-9.00am
- 11.00am-2.30pm

We ask that after 2.30pm you collect your Ag Day displays and take them home. This is especially important, as it is a long weekend and we do not want anything perishable sitting in the classrooms over this time. Please do not remove any items before 2.30pm, to give everyone a chance to see your amazing work.

Please find **attached** information about what each class will be making for Ag Day and Country Fair. If you have any questions please let your teacher know.

DONATIONS

Of course, this day cannot happen without a lot of donations of time and products from our community. Simone du Bernard from Harcourts Cooper & Co, has once again come on board as our Principal Sponsor for this event, so please thank her if you see her.

Over the last little while we have also been asking for weekly donations of items that we can use for prizes, raffles, lolly bags etc. Please find **attached** the donations list, for those of you that haven't already donated. Any donations are gratefully appreciated!

Also, on the Monday before Ag Day and Country Fair (21 October), each family will be given a cake box to take home and return filled on Ag Day and Country Fair morning, to the cake stall (under the hall). This year we're asking everybody to preferably fill their box with a whole cake (as people love buying these for the long weekend) – but any homemade goodies are gratefully accepted!

VOLUNTEER YOUR TIME

Each year we ask each class to find between 5-10 volunteers to man a stall for an hour on Ag Day and Country Fair. This year we're trialing using the School Interviews system to allow this to be done online. Don't worry full instructions on how to run each game will be set out at each game and a FOWS member will be coming around to check whether you need any help.

Manning a stall not only helps out on the day, but is a great way to meet other parents. Of course, if you can do more than 1 hour, we would really appreciate that too. **Don't forget that if your child has an animal and you want to watch them, don't roster yourself on before 12.00pm.** The timing for each volunteer hour is as follows:

- 9.00am – 10.00am
- 10.00am – 11.00am
- 11.00am – 12.00pm
- 12.00pm – 1.00pm

GENERAL INFO

There is also an Ag Day and Country Fair booklet which sets out all of the other bits and pieces of information about our Ag Day and Country Fair. This booklet was sent home with your eldest child on the last day of Term 3. However, it is also available on our website and you can pick up another one from the office if it has been misplaced.

We have tried to cover off as many things as we can think of, but if we have left anything out please let us know by contacting fows@wainui.school.nz.
