

Ever wanted to give **tennis** a go? AceEm's programs are based on fun and games to improve tennis skills.

Tennis Hot Shots is a program designed to help every child jump in and start playing tennis, no matter their age or ability. Smaller courts with modified equipment, including lighter racquets, lower nets and low compression balls that don't bounce too high are used. With four fun stages (Blue, Red, Orange and Green), coaches will help guide your kids every step of the way. [Tennis Hot Shots NZ](#)
