GENERAL INFORMATION

Wainui School's annual Ag Day and Gala will be held on, Friday 21 October 2022. Your friendly FOWS team ("Friends of Wainui School"), along with the school have put together this bundle of information, so that all our new and old families have an idea of what the day entails.

Since the early 1950s, Ag Day, or more commonly known then as Calf Club Day, has been held annually at Wainui School. This day has various activities, both indoor and outdoor. Children raise a pet lamb, kid goat, calf or chicken to present in various categories. Ribbons are distributed at the conclusion of judging, for each category. This day has always attracted our parents, grandparents, aunts, uncles, friends, and past pupils to this important community event. It is the biggest day for our families!

Few schools still have the opportunity to enjoy this rural tradition so we would love you to get behind it and join in the fun. It is part of the school curriculum and an official school day – probably the most fun day of the whole year for the kids! After all, a school day where you get to hang out with friends, get up close and personal with some of animals, buy fun food, play, and win cool prizes... what could be better than that!

The dress code for the day is "Country", so come along in your country clothes and you may win a spot prize. **PLEASE NO DOGS.**

All the information in this booklet is also available on our school website, or you can collect a copy from the office.

We have tried to cover off as many things as we can think of about our Ag Day and Gala, but if we have left anything out, please let us know by contacting fows@wainui.school.nz.

TIMETABLE FOR THE DAY

This year, the Ag Day and Gala timetable is as follows:

Wainui School's Ag Day and Gala is officially a school day, though it is much more fun than your average school day! Children without an animal or parents/caregivers attending our Ag Day and Gala will be supervised by the teachers and engaged in planned activities. Throughout the day there will be periodic roll calls. These roll calls will be held at 9.00am, 1.00pm and 2.30pm. If you're taking your child home earlier than the usual 2.55pm end of the school day, you will need to tell your child's teacher and sign your child out. The sign out book will be located at the ticket booth. Buses will run as normal at the beginning and end of the day.

LAYOUT FOR THE DAY

The layout for the day is set out below. Please note that the layout may change based on the weather and other factors that may come into play on the day.

FIELD – The grass field will be used for animal showing and parking for trailers. At the far end of the field by the senior playground will be the ticket booth, eftpos, first aid station and the raffles and silent auctions. The Young Farmers Final will also be held on the field in the afternoon.

UNDER THE HALL - The food (bacon and egg butties, nachos, sausage sizzle, juicies, ice cream cones, candy floss, and cake stall) and drinks (hot drinks, water and sparkling drinks and juice) will be under the hall at the end closest to the carpark. The chickens will also be under the hall too, but closest to the tanks.

IN THE HALL - The market stalls will be in the hall. This will mainly be our Wainui school kids who are exploring their entrepreneurial skills by being stallholders. Though there may be a few outside vendors as well. We have **attached** the registration form for the kids' stalls, should you wish to have a stall. Garden to Table will also be running their cafe and selling their Garden to Table products in the hall. Feel free to come and have a cup of tea and a sit down and let Mrs Stevenson tell you all about this wonderful programme. The Pet Eggs will also be on display in the hall.

THE COURTS – This will be where the 9.00am and 1.00pm roll calls will take place.

TOP CONCRETE AREA– In this area there will be a games alley where the kids can try their hand at 10 different games. When they have finished the game, they will be given a number that they can take to the Harcourts Cooper & Co prize tent, and they will be able to exchange it for a prize. As well as brand new prizes, we will also have a table of quality preloved toys, which the children can choose from instead of a new toy. This is our little way of reducing, reusing, and recycling. There will also be a free games tent where the kids can try their hand at giant connect four, jenga and much more.

GRASS AREA IN FRONT OF RIMU - There will be an inflatable obstacle course (thanks Simone du Bernard from Harcourts Cooper & Co). There will also be a coconut shy and a bouncy castle (thanks SKIDS).

CLASSROOMS – The classrooms are full of all your children's artwork and creations that they have made specially for our Ag Day and Gala. The classrooms will be open from 7.30am-9.00am and then from 11.00am-2.30pm. There will also be a roll call at 2.30pm in the classroom for all school children and this will also be an opportunity for everyone to collect and take home their Ag Day and Gala art.

TICKETS

This event will use tickets. This means that each stall (**except for all the market stalls – which will take cash only**) will only take tickets. The ticket booth will be on the field in front of the senior playground. Eftpos will also be available from here (though there is no cash out facility available). One ticket equals \$1.

ANIMALS (Calves, Lambs, Kids and Chickens)

On Ag Day and Gala morning, priority parking will be given to all those with animals. For those of you with animals please park on Little Bush Road, down by the field. When you arrive make your way, straight to the registration desk, which will be on the field by the hall. When you register you will be given a number that you will need to pin to your clothing. The registration desk is open from 7.45am-8.45am.

All children, even those with animals, will need to attend the first roll call at 9.00am on the turf, so please make sure you have someone to hold your animal or somewhere to tie them up to.

Judging will start at 9.15am for all animals. We ask that all parents stay behind the white tape, as part of having an animal is that the child can control them, themselves. Do however feel free to bring your children food and drinks, just make sure the animals don't eat them!

Our judges are local farmers and vets (thanks Lisa from the Lifestyle Vet), who regularly judge animals and they are volunteering their time for our day, so if you have a chance, please thank them for doing this.

Depending on the number of registrations received, there will be one goat and one calf ring (but judging will be for junior handlers Years 0-4 and senior handlers Years 5-8). For the lambs there will be 3 rings divided into Years 0-2, Years 3-5, and Years 6-8. For the chickens judging will also take place at the same time and will be divided into juniors Years 0-4 and seniors Year 5-8.

At the conclusion of the judging, the judges will deliberate to find a Supreme Champion for each of the animals and the winners will be presented with an award by our Principal Sponsor, Simone du Bernard from Harcourts Cooper & Co. Then all the children will walk around the field with their animals and their ribbons for the Grand Parade. After this has concluded it will be the official lunchtime.

This year we're trialing registration by google form. Please click the link below to register your animal:

<https://forms.gle/PjXGeABFwvjLCyGb7>

If you do not have access to the internet, please just let the office know your details and they can complete the form for you. Registrations are due by **Friday 30 September**, so that we know how many animals to expect on the day. The rules for animals for Ag Day are included at the back of this booklet.

Children and animals who receive 1st, 2nd, 3rd, or 4th ribbons for their calf, lamb or goat kid are eligible to represent Wainui School at the South Kaipara Schools Group Day (this is an interschool event), which is held at Helensville Showgrounds, on **Friday 4 November 2022**. After our Ag Day and Gala more information will be distributed about this event.

PET EGGS

This year we are continuing the “My Pet Egg” activity for those children who do not have a calf, lamb, goat kid, or chicken to show. The expectation is that every child at Wainui School has the opportunity to “rear” something.

The children need to choose an egg from home and create their egg character/home/habitat and then bring it to school on our Ag Day and Gala. On our Ag Day and Gala morning, take your pet egg to the school hall, along with your registration form and place your creation on the pet egg tables which will be divided into year groups. The pet eggs will be displayed for everyone to see, and they will be judged, and certificates will be presented to the best ones.

Please find the pet egg registration form at the end of this booklet. Further copies are available at the office and there will be spare ones available in the hall on the day.

CLASSROOM ART DISPLAYS

This year the classrooms will be open for viewing in two blocks:

- 7.30am-9.00am
- 11.00am-2.30pm

We ask that after 2.30pm you collect your Ag Day and Gala displays and take them home. This is especially important, as it is a long weekend and we do not want anything perishable sitting in the classrooms over this time. Please do not remove any items before 2.30pm, to give everyone a chance to see your amazing creations.

The information about what each class will be making for Ag Day and Gala is included at the end of this booklet.

DONATIONS

Of course, this day cannot happen without a lot of donations of time and products from our community. Simone du Bernard from Harcourts Cooper & Co, has once again come on board as our Principal Sponsor for this event, so please thank her if you see her.

By now you will have seen the list of weekly donations of items that we have asked for and we use these donations for prizes, raffles, lolly bags etc. The list of donated items is attached at the end of this document for anyone who may have misplaced it. If you have other items that aren't on the donation list that you would like to donate, all items are gratefully accepted. If you would rather, we did the shopping for you, we have set up a payment option of a \$30 donation on Kindo and we then use this money to top up the raffles and prizes with anything that we may be missing. Your donations can be dropped into the school office at any time.

Also, on the Monday before our Ag Day and Gala (17 October), each family will be given a cake box to take home and return filled on Ag Day and Gala morning, to the cake stall (under the hall). This year we're asking everybody to preferably fill their box with a whole cake (as people love buying these for the long weekend) – but any homemade goodies are gratefully accepted!

VOLUNTEER YOUR TIME

Each year we ask each class to find volunteers to man a stall for at least an hour at our Ag Day and Gala. This year we will once again be using the School Interviews system to allow this to be done online. Don't worry, full instructions on how to run each game will be set out at each game and a FOWS member will be coming around to check whether you need any help.

Manning a stall not only helps on the day but is a great way to meet other parents. Of course, if you can do more than 1 hour, we would really appreciate that too. **Don't forget**

that if your child has an animal and you want to watch them, don't roster yourself on before 12.00pm. The timing for each volunteer hour is as follows:

- 9.00am – 10.00am
- 10.00am – 11.00am
- 11.00am – 12.00pm
- 12.00pm – 1.00pm
- 1.00pm – 2.00pm

Here are the instructions for booking your volunteer slot online:

WAINUI SCHOOL AG DAY CHICKEN RULES:

The emphasis on Ag Day is on the child's effort and care of their animal. Chickens are to be hand reared, one chicken per child.

All chickens entered must have been purchased through the school.

Bring your chicken along on the day in a suitable cage (one chicken per entrant) so it can be judged on how beautiful it is looking!! You can decorate your cage too!!

Judging Criteria: On Ag Day the chicks and students will be judged on the following categories:

- **Most obvious pet chicken** - The friendliest and most easily handled. This can be accomplished by handling the bird as much as possible. A chicken will happily sit on your lap for long periods.
- **Rearing and Grooming** - how well the chicken is presented (plumage, free of lice, healthy comb) and the student's general knowledge about rearing their chicken.

THE SUPREME CHICKEN TROPHY WILL BE AWARDED AFTER THE GRAND PARADE AND AT PRIZE GIVING.
