

Governance at our school is:

The current Wainui School Board has determined its own unique governance/ management approach based on delegated levels of responsibility for the following functions: administration, curriculum, finance, property, personnel and student support. The continuum below clearly shows our concept of governance. The day-to-day management of the school is the responsibility of the Principal.

What do trustees do?

Trustees on a school board of trustees work together to make sure every child/ tamariki reaches their highest possible standard in educational achievement. As part of that key responsibility, here are some of the things boards do:

- Work with the principal and consult with staff, students and the community
- Set the educational goals and strategic direction of the school
- Monitor progress and let parents know how the school is progressing against its annual targets and how well students are achieving
- Decide how the school's funding will be spent
- Support the school's principal and support the development of all staff
- Oversee the management of staff, property, finances, curriculum and administration.

Our board currently meets:

Two or three times a term.

Our school's mission statement is:

See vision statement below.

Our school's vision statement is:
